

EMBASSY OF ARGENTINA TO THE
ORGANIZATION OF AMERICAN STATES

OEA No. 102

Washington, D.C.
November 7, 1962

Sir:

In further reference to my note OEA No. 96, of October 27 last, in which I announced the departure of the destroyers "ROSALES" and "ESPORA" to participate in the quarantine operations undertaken in accordance with the recommendation of the Council of the OAS acting provisionally as Organ of Consultation on October 23, I am particularly pleased to advise you that for the purpose of participating with the combined forces in the search, rescue, and observation operations, the Government of Argentina has formed a group that has three aircraft; and that another Air Force group composed of three crews is undergoing an adaptation and training course, at the end of which it will join the combined forces in the Caribbean.

The government that I have the honor to represent has also, in conformity with the provisions of Resolution III.1.a of the Fourth Meeting of Consultation of Ministers of Foreign Affairs, ordered the Argentine Army to instruct a brigade to participate in the maintenance of continental peace should this become necessary.

Accept, Sir, the renewed assurance of my highest consideration.
